Hi hoping you are all well and safe

We are writing to you to update and advise you that I have sold Lighthouse Services Limited, this was not an easy decision after 40 years in the industry and 25 years trading as Lighthouse Services Limited, but with personal health issues taken in to account the need to move forward has arisen, although by no means an easy choice.

This business has been sold as from the 1st August (our deregistering with the Financial Conduct Authority is effectively in progress from the 31st July 2020) to Downton & Ali Associates in Dartford who are members of the Openwork Ltd network, as a company with a large infrastructure in the background to assist them you will see an excellent service going forward, I looked at many options and this was one of the best not just for myself but more importantly for all my clients, many of you have been with me many many years and for this myself and my advisors are most grateful for your loyalty and support over the years.

I myself will still be working with Downton & Ali for the next 3 years, a minimum of 2 days a week (at Least) to ensure a smooth transition and continuity for my clients. My advisors Michael Krause, Kuldip Mudar & Richard Mahony are all transferring across as well to Downton & Ali, so in all respects you will see no changes other than an updated streamlined service from a company with a larger infrastructure backup. Our phone number 01708 707017 is being transferred as is all email addresses so full contact and communication is continuously available to you, all our secure computerised records will also transfer securely to maintain full Data Protection.

Myself and my advisors again thank you, and we look forward to continuing serving and servicing your financial affairs going forward.

I have included a letter of introduction from Brian Downton the Principal of Downton & Ali Associates, with all their direct contact information, they look forward to welcoming you and will be integrating our clients over the coming months into their automated systems to provide you all with a much streamlined service proposition.

Please do not hesitate to contact us with any queries and or questions, please also accept our wish for your continued good health and safety in these troubled times of Covid 19.

Yours Sincerely

Barry Davis Cert PFS, Cert CII(MP), CeLTM
Director
